People want true things  
Or nothing at all  
People want sincerity  
And nothing more  
People need happiness as land needs rain  
We need rain we need light we need love  
Yes you'll find it so hard  
To live without love love love  
Love love love  
Love love love  
Whoa just say yeah (oh yeah)  
Yeah yeah yeah yeah

People want to live (uh huh)  
Not merely exist  
People want to enjoy  
Not suffer and fear no no no  
People need understanding  
Not tensions or confusion no no  
Oh I wonder should the people who present us this  
solution talk about love love love  
Love love love  
Love love love  
Oh yeah  
Just say yeah (oh yeah)  
Yeah yeah yeah yeah  
Say yeah  
Ooh yeah

We need power  
We need power  
We need peace  
Peace  
Peace  
Peace

I think we'll all agree  
I think we'll all agree  
That's not fighting (fighting)  
That's not fighting  
Because this ain't war  
This ain't war

This ain't war  
This ain't war  
I know it's not too late to love love love  
Love love love  
Love love love  
Love love love  
Love love love

What can I do for you  
What can you do for me
