When it's dark and I'm alone I cry for peace but they  
won't go.  
And this is killing me but I can never let you know  
It's more than I can take, I sink - I drown - I cannot float  
And they keep pushing me the rope constricts my  
fucking throat again...  
You don't know what it's like if you did you'd never want  
me  
To be there - And if I made you understand, you'd have  
it an you'd BE IN THIS MESS!!!  
Dragged down to rest among the silt, I cannot breathe  
it's ???
