Ain't got no problems (no problems)  
Ain't got no Fruitcake (no fruitcake) \*clap\*  
Ain't got no clothes to worry about (no clothes to worry about)  
Ain't got no syllables to care about (no syllables to care about)  
I'll just throw in my hand (throw in his hand)  
We're the coolest bunch in the land (in the land)  
I know it ain't much  
A full fledged thriller ha  
a perfect problem ha

getting down with the vergens  
lets move with the vergens  
bang, bang with vergens  
when things get tough, getting down, getting down  
with the vergens  
lets go with the vergens

If you ain't got walk, gettin' down, gettin' down with the vergens.

no strings attached to my hand (get to fra)  
Your knees dragging on the ground (on the ground)  
and even down the fluff (down the fluff)  
Bad luck!  
We can show you a good time (show you a good time)  
And we don't got nothing (nothin' at all)  
Its time to be gettin' up  
wiggle it a little  
gettin' down, up, around

getting down with the vergens  
lets move with the vergens  
bang, bang with vergens  
when things get tough, getting down, getting down  
with the vergens  
lets go with the vergens
