(Margaret A. Rich)

I can only imagine for our worlds are far apart
How it would feel to hold this woman mouth to mouth
heart to heart
I guess it's a good thing dreaming's free
What would a Sunday kind of woman
A Sunday kind of woman want an everyday man like
me.

--- Instrumental ---

I've had lots of nightlife women you've seen one you've
seen 'em all
And I wake up in the morning and I turn and face the
wall
And long for someone special's company
But would a Sunday kind of woman
A Sunday kind of woman love an everyday man like
me.

But would a Sunday kind of woman
A Sunday kind of woman love an everyday man like
me...
