Verse 1

Skinny dippin' in the Pedernales River
Country girl sure could make me shiver
Right now that's just what I could use
To wash away these big city blues

Verse 2

Hollywood stars beneath my feet
Everywhere I look I see concrete
I could use a little Southern rain
Blanco County calls my name

Chorus

Goddamn these big city blues
I got them big city blues

Someone done went and stole my favorite pair of boots
Goddamn these big city blues

Verse 3

Daddy was a no count bull ridin' son of a b***h
That's what my momma said
She cursed the day they ever met
She's the cutest small-town thing that he'd seen in the
World
'Cept daddy loved big city girls

Chorus

Repeat Verse 1
