(Jimmy Reed)

Bright lights the big city gone to my baby's head
Bright lights the big city gone to my baby's head
I tried to calm you woman but you don't believe a word I
said.

Alright pretty baby you're gonna need my help some
day
Alright pretty baby you're gonna need my help some
day
You're gonna wish you had listened to some of the
things I had to say.

Now I need to tell you baby tell you what I would do
Well I would climb the tallest mountain baby just to get
real tight with you
Ain't that lovin' you baby ain't that lovin' you babe come
on and tell me
Ain't that lovin' you baby and you don't even know my
name.

Now ain't that lovin' you baby ain't that lovin' you baby
Ain't that lovin' you baby and you don't even know my
name
