Let me tell you about the woman I knew once.

She don't drink, she don't smoke
She can't stand a dirty joke
She don't hang out till the morning light
She don't have to get high, Lord, to get it right
She's a friend, she's a lover, ooh, she's my wife.

But I'll take a drink, Lord, and I'll have a smoke
And I've told some daown right filthy jokes
I've been known to hang out till the morning light
Been known to get high trying to get it right
But that's just me, you saw, that's just me.

Well, if you don't know my woman
You might the she's square
But if you wanna see that woman
When she lets down her hair
She's the damnest thing
That's ever walked into my life, hello.

She's a friend, she's a lover, she's my wife
-[incomprehensible]- my wife, son and yours too.

I wear jeans and she wears silk
I like beer and she likes milk
She can be soft like a summer rain
But lock them doors at night, she's a hurricane
She's a friend, she's a lover, ooh, she's my wife.

Lord, it's still a mystery what she sees in me
She said long as I want her, she'll never set me free
She's a damnest thing that's ever walked into my life,
hello.

She's a friend, she's a lover, she's my wife
She's a friend, she's a lover, she's my wife.

She's a friend, she's a lover
She's a fox, she's a mother
She's a friend, she's a lover, hey, she's my wife...
