It's All over now  
By Charlie Rich

I've been thinkin' it over.  
But I can't figure out how,  
We're gonna make it together.  
I think it's all over now.

I tried to give you some freedom,  
All that my heart would allow.  
But after seein' how you've done,  
I think it's all over now.

(it's all over now)  
Since, I saw you yesterday.  
(it's all over now)  
Since, you looked at him that way.

I've been thinkin' it over.  
Hoped we could make it somehow.  
But after thinkin' it over,  
I know it's all over now.

(it's all over now)  
Since I saw you yesterday.  
(it's all over now)  
Since you looked at him that way.

I've been thinkin' it over.  
Hoped we could make it somehow.  
But after thinkin' it over,  
I think it's all over now.
