If you think you've had enough
If you think our life's been rough
Why not take your love line off of me
And set me free.

If you think our love's all wrong
And you feel the fire is gone
If I'm not what you'd like for me
To be, set me free.

Set me free and let me fly
Like a bluebird fly 'n high
Release the chains that bind me
To be, set me free.

But you can't like to hold on
Onto love till it grows cold
And you held on much too long
To me, set me free.

Set me free and let me fly
Like a bluebird fly 'n high
Release the chains that bind me
To be, set me free.

Set me free...
