Sittin' & Thinkin'
(Please baby wait for me)
(Wait for me)
(Wait for me)
I got loaded last night on a bottle of gin.
And I had a fight with my best girl friend.
But when Im drinkin I am nobodys friend.
But, please baby wait for me until they let me out again.
I know the same thing has happened before.
And every time it does,
I hate it more and more.
But when Im drinkin I am nobodys friend.
But, please baby wait for me until they let me out again.
(Spend a whole lot of time)
Spend a whole lot of time,
(Spend a whole lot of time)
Sittin and thinkin,
(Spend a whole lot of time)
Sittin and just thinkin bout you.
If I didn't spend so much time sittin and drinkin.
Wed still have a love that we once knew.
Oh, I wont promise the same thing wont happen again.
But I can promise, it'll be a long, long time till then.
Cause when Im drinkin I am nobodys friend.
But, please baby wait for me until they let me out again.
Please baby wait for me until they let me out again.
