Well, I wish I had my picture on the Rolling stone today
I wish that the Enquirer spread a rumor that I was gay
I wish I had some buddies, some movie stars and such
Cause I probably wouldn't worry about the two of us as
much
And I'd spend all my money on caviar and cocaine
And I would not remember how you broke my heart
today
You know I, I wish I had a super model so skinny and so
wild
And a waitress in Nevada, she says she's carrying my
child
I'd drive down Sunset Boulevard, my hair blowin' in the
wind
I'd stop at fancy restaurants and they'd finally let me in
And I'd spend all my money on caviar and cocaine
And I would not remember how you broke my heart
today
Yeah, I wish I had my picture with the Rolling Stones
today
And I wish the enquirer would spread a rumor that I
was gay
I wish I knew a movie star, someone like Charlie Sheen
'Cause if he'd hang out with Kato Kaelin
Well I guess he'd hang out with me
And I'd spend all my money on caviar and rogain
And I would not remember how you broke my heart
today
