Take this job and shove it
I ain't working here no more
My woman done left
And took all the reasons
I was working for.

You better not try to stand in my way
As I'm walking out the door
Take this job and shove it
I ain't working her no more.

I've been working in this factory
For night on fifteen years
All this time I watched my woman
Drowning in a pool of tears.

And I've seen a lot of good folks die
That had a lot of bills to pay
I'd give the shirt right off my back
If I had the guts to say.

Take this job and shove it
I ain't working here no more
My woman done left
And took all the reasons
I was working for.

You better not try to stand in my way
As I'm walking out the door
Take this job and shove it
I ain't working here no more.

Well, that foreman he's a riggity dog
The line boss, he's a fool
Got a brank new flattop hair cut
Lord, he thinks he's cool.

One of these days I'm gonna blow my top
And that sucker, he's gonna pay
Lord, I can't wait to see their faces
When I get the nerve to say.

Take this job and shove it
I ain't working here no more
My woman done left
And took all the reasons
I was working for.

You better not try to stand in my way
As I'm walking out the door
Take this job and shove it
I ain't working here no more.

Take this job and shove it
I ain't working here no more.

Take this job and shove it...
