Why, oh why, must I sit and cry  
That's not the sorta thing I like to do  
Why, oh why did we say goodbye  
When I know I'm still in love with you.  
Why, oh why am I still pretending  
You'll come back to me  
When in my heart I know  
That happy ending can never be.  
And though I try to get you off my mind  
I found there's not a easy thing to do  
'Cause when I try to get you off my mind  
How your love what it did good tryin' to.  
Why, oh why am I still pretending  
All alone, yes, all alone  
I guess it should become I know  
I'll never have you for my own ..
