you and i
we're gonna fly
across the sky
higher than high
just you and i

you and i
we're gonna sail
across the sea
free as breeze
just you and me

CHORUS:
you and i
floating my boat
leaving our smoke
slowin our boat
just letting it soak

you and i think
song that i sing
ringing our bell
heaven like
heaven..

you and i
we're gonna groove
make our move
let it laid back
stay on our track

you and i
heaven it's like
crying or cry
and saying goodbye
of tears in our eyes
(repeat chorus)

you and i
we'll gonna fly
