"You Can Have Her"

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

The girl I loved, she up and left me
She ran away with my best friend
She comes home at night a just one full hour
When daylight comes, oh no, she's a gone again.

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

Life without love is mighty empty, but confession
Do ya know, do you know confession's good for the
soul, baby
I'd rather have love that I can cling to
Than I had the world and all it's gold.

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

You can have her, I don't want her
She didn't love me anyway...
