Empty cold life, painful howl
Cutted veins, visions before death
Aversion from light and every human creature
Attraction to the free chosen death

Ref. x2:
Nihilistic, decadent earthly lifeform

Chaos and destruction, death and salvationÂ...
Nihilistic, decadent earthly lifeform.

The reversed creationÂ's fucking curse
From darkness faded flame of hate

Ref. x2

From wrath hated cold earthÂ...
Everything is covered by a deep funeral fog
The seeds of darkness are cornering from the ground
Black lava is erupted from the heart of the deep.
