

Labyrinth Of Abyss "The Cult Of Turul Pride"

The past haunts me which boils my blood
Our forefathers proud dream has been left into
oblivionÂ...

That to never praise any divinity
Follow the cult of Turul pride

They allowed to legacy to keep the flame of
heathenism
And to not choose any godÂ's yoke

Where disappeared our pride
Follow the cult of Turul pride

Devastation to all false religion!
ItÂ's shameful that we lead into oblivion our roots
Pain is washing our late proudnessÂ...
Follow the cult of Turul pride!
