Standing under the spell of the fullmoon  
Your soul is blessed with eternal life  
And you feel the ancient spirit  
Passing through your soul!

Like a son of nightmarish dream of the abyss  
You are the eternal slave of temptation and blood  
You feel the unrestrained infernal power

In your damned heart you carry all the sins of humanity

Neither the cross can cause damage in your evil soul  
Son of moonlight, prince of wolves  
Pride of bloodfreezing Transylvania  
Be always the enemy...the enemy of light!
