I gave it up and it ends
When youth collide in me, I got it
Don't wash your tears in me
I gave it up for you

Being nothing but
But I can't do that
I need no one or no lives

So everything will be nothing
I can't ease your burden

Being nothing but
But I can't do that
I need no one or no lives

I'll need no one or just any life
It's all in me, be my every
When it shits over, you will cry a tear
Soon it's over, you can't stop it
