Yes I want you to  
I want you to be mine  
To be

Fall through seven seas  
One suck you can't deny  
For me

Shed ballast tears my dear  
For you my amber girl  
Or set you on fire

Be mine or not I die for you  
Sweet amber girl  
I bleed for us and bask in you

Be my little heart  
Flaming lips on mine  
To see

Symbols on your tongue  
Say it's a begin  
Believe

Shed ballast tears my dear  
For you my amber girl  
Or set you on fire

Be mine or not I die for you  
Sweet amber girl  
I bleed for us and bask in you

Shed ballast tears my dear  
For you my amber girl  
Or set you on fire
