Flee away [Incomprehensible]
Ingrowing taste of gloom
Inkling ban
Consider God denied

Worst case
Flipped away
Many times before
But now it's over

It was a lie
Sadder than yours
For all tears deny, yeah

But I can't be strong
Black end come on
Let's fade away, hey

Nevermore to
Grey times always near
Damn mistake begotten
Torn away

Below all blames
All is bleached
Forget all your sins
Go ahead for bad aims

It was a lie
Sadder than yours
For all tears deny, yeah

But I can't be strong
Black end come on
Let's fade away, hey

For you, you had
For never and [Incomprehensible]
Be tried, be true
That wasn't for you

Let us be down

Without any crown
Embark your bad news
Your traveling's out

It was a lie
(It was a lie)
It was a lie
(It was a lie)
