Nevermore obey
Die for what we want
Bitter pills and everywhere
To be a lie

All is gone, deliberate
Please disgrace me
Let me indicate your gap
Yes, I will

From beyond and forever
Be my enemy
Never no and never you

Nail me on your walls
Spit on what you do
You would tear my emptiness
Differ and dare, you are a liar

All is gone deliberate
Please disgrace me
Let me indicate your gap
Yes, I will

From beyond and forever
Be my enemy
Never no and never you

You are a liar
You are a liar
You are a liar

All is gone deliberate
Please disgrace me
Let me indicate your gap
Yes, I will

From beyond and forever
Be my enemy
Never no and never you
