[music O. N. Schmid, lyrics Ch. Schmid]

Break the silence
Break the silence
Break the silence
Break the silence

But we left
the feeling of emptiness
To discover the new
new doom of
the silence but
BUT

I could adore the silence more
And everything is nothing
Solicitude I never thought
I thought it was

Could escape from
My dreams
And heal my wounds
BUT

I could adore the silence more
But everything is nothing
Solicitude I never thought
I thought it was

So what we become
So what we become
Is silence
Heal my sorrow
And hear me start
The silence

I could adore the silence more
And everything is nothing
Solicitude I never thought
I thought it was

And I hope
that we broke
the silence.
