"Suicide Sun"

You keep tearing my skin
Feel me from within
You are sucking the life out of me
And you swallow me whole
Straight to your heart

And I will bleed to be your suicide sun
And I would lose it at all
And I would die to be your suicide sun

I leave you laying alone
All alone

If I eat you alive
I enjoy your taste
Would you fill me with lies until I die?
Should we stop?
Should we not?
Should we go on?
Yes, we know it's too late
But always we try...
