

## Lacrimas Profundere "Supreme Surrender"

Visit "[Supreme Surrender](#)" on MotoLyrics.com

Please let me be and I would do everything to  
To let me in your pillar-heart again  
It sounds perverted, but it's true  
Without you

[CHORUS]

I give you all but you want more  
Sad believe  
To every little shallow thing I agreed  
So throw away what we once had and give up  
It's a supreme surrender

Without your tears it is over for me baby  
You could save it all, but you say maybe

[CHORUS]

Go on and leave it all  
It won't be told again  
A face in the crowd

[CHORUS]
