

## Lacrimas Profundere "The Letter"

You don't know what it means  
All these lies and everything  
And I feel like never felt before  
There you lay, innocent  
Swollen eyes and body spent  
Was it worth?  
Was it worth the pain?

Can't deny  
That I need you  
You don't understand what I say  
Understand what I say  
Believe me now  
Sweet enemy  
I just want to say I love you  
Want to say I love you

We are one, we're the same  
Beg to see you smile again  
Hold your breath  
Just lay beside me here  
I'm the guilt you're the lust  
Turning everything to dust  
Was it worth?  
Was it worth the pain?
