

Lacrimas Profundere "Wake Down"

We return maybe
To all walls of poise
To bring you life
I said you first

Wake up, wake down
Wake up wake down

No tears
Please resist
When will be there?
Never

Wake up, wake down
Wake up

I held you or no one
For a bitter touch
Light us first

Set you free my tear
Is this a life or a compromise?
When will we be there?
At our rest

[Incomprehensible]
[Incomprehensible]

I held you or no one
For a bitter touch
Light us first

Set you free my tear
Is this a life or a compromise?
When will we be there?
At our rest
