All the times  
All our screams  
Left nothing for us to leave  
All the cries  
All the ends  
I don't want to understand  
Don't want to have that back  
It was enough

You cannot hide my love  
You cannot beg for everything  
That we have lost  
And for the things we denied  
But nothing is so clear  
And we have words to fear  
Which we said all the time  
But never meant to say

All the fights  
All our hate  
It was everytime to late  
What we did  
Was ata fault  
But we never wanted it  
Don't want to think it's true  
Just blame it on me
