I lost my concentration  
No idols to lean on  
I'm runnin', runnin', runnin'  
There's no place I could go  
And while the daylight fades  
Dreamland waves with oblivion

Gimmie somethin' to believe in  
Gimmie someone I can trust

Come on - look me in the eyes  
Don't seek refuge in disguise  
Lead me to the rainbow  
That stretches across reality  
Spike-launched into paradise  
Makes the floor taste harder later on

Gimmie somethin' to believe in  
Gimmie someone I can trust

Tell me where salvation flows  
And fears are overcome  
I hear voices in the silence  
Drawing images of some better world  
They were willing, but not able  
To listen and to penetrate

Gimmie somethin' to believe in  
Gimmie someone I can trust

Is there sense to get up in the morning  
Like one million others do?  
The infinity of time and space  
Drags me into a deep no-where  
Where's my dear foundation now?  
I crave aim and power to go on

Gimmie somethin' to believe in  
Gimmie someone I can trust
