Shot in his eyes, a silver sky,  
his blood is in my hands (in my hands)  
I blessed this one, I know he's died  
But now I'm feeling so strange

I know  
You'd better believe  
That everything you do  
You can't understand it  
Or ever justify  
I don't want to be you guide  
But stay with me and think for a while  
Again

The secret belong to a part of me  
And it's my anger and my pain  
Just close my eyes and live your life  
Your tears are so sweet for me

Loosing my life  
A matter of time  
Refusing all this game

I blessed this one  
I know he's died  
But now I'm feeling  
So strange

I know  
I can't understand this joy inside of me  
You can't understand me or ever justify

I just cannot be your guide

Just stay with me and think for a while  
Again

The secret belong to a part of me  
Increase my anger and my pain  
Just close my eyes and live your life  
Your tears are so sweet for me

Stay with me  
I'll take you into another world  
I'll bring your heart into another world

The secret belong to a part of me  
Increase my anger and my pain  
Just close my eyes and live your life  
Your tears are so sweet for me
