Stained, looking at my hands  
I talk with these lines  
It's not the answer  
I'm crying and I now I know  
Looking the sky  
I search for an answer  
So free, free to be  
I'm not another liar  
I just want to be myself...myself

And now the beat inside of me  
Is a sort of a cold breeze and I've  
Never any feeling inside  
Ruining me...  
I Bring my body  
Carry it into another world  
I know I live...but like a stone I'm falling down

Damned, looking into the sky  
I can feel this rain  
Right now it's falling on me  
Fly, I just want to fly  
Life is all mine  
Some days I cry alone,  
But I know I'm not the only one  
I see that another day is gone  
I don't want to die...  
Please be here when I arrive, don't die...ple
