Destruction

War

To fight in defense

Forgotten words

A friendly hate

War- destruction

War- destruction

I don't know why

A soul deceased

A broken hope

A choking breeze

War- destruction

War- destruction

Can't you take me away from your lies?

Can't you take me away from your lies?

Destruction

Dark paradise

Collection souls

To analyze

War- destruction

War- destruction

The bitter blood

Of a children's cry

Inside the truth

Far from my sky

War- destruction

War- destruction

Can't you take me away from your lies?

Can't you take me away from your lies?

[voices of news reporters]

Can't you take me away from your lies?
Can't you take me away from your lies?
Can't you take me away from your lies?
Can't you take me away from your lies?

Can't you take me?!
Can't you take me?!
Can't you take me?!
Can't you take me?!
