(And you take me over)
(Over again)

(And you take me over)
(Over again)

I wonder how can I go on and on
When you want to bury my passion
You are the shell around
And I cannot escape
And I swallow my pride

Entwined together now
It's time to pass it over
(And you take me over, over again)
Entwined together now
(And you take me over, over again)
Entwined forever

I wonder how can I go on and on
When you want to live in a hurry
You are the wall
That I,
That I have to remove

And I swallow my pride
(I swallow my pride)

Entwined together now
It's time to pass it over
Entwined together now
Entwined forever

And you take me over,
Over again
And you take me over,
Over again

And you take me over,
Over again
And you take me over,
Over again

Entwined together now
It's time to pass it over
(And you take me over, over again)
Entwined together now
(And you take me over, over again)
Entwined forever
