It's not the way to cross the faith  
The promise has been broken!  
My disease, everlasting  
Let me bleed forever!  
I have to wait  
Come and get me  
Lost in here, I'm nothing!  
Tie my hands  
Let me feel alive one more time!

Where is the pain?  
Somewhere down...

Can you feel it?  
Don't you know there is no time?  
Can you feel it?  
Don't you know there is no time?

My halo fades  
Sin is calling  
The promise has been stolen!  
My disease, everlasting  
Let me dream forever!  
My soul to take  
Come and get it  
Lost in here, I'm nothing!  
Tie my hands  
Let me feel alive one more time!  
Where is the pain?  
Somewhere down...

Can you feel it?  
Don't you know there is no time?  
Can you feel it?  
Don't you know there is no time?

Can you feel it?  
Don't you know there is no time?  
Can you feel it?  
Don't you know there is no time?

Can you feel it?

Never let it go. (no time)  
Can you feel it?  
No time...  
Can you feel it?  
Never let it go. (no time)  
Can you feel it?  
No time...

Never let it go!

Can you feel it?  
Don't you know there is no time?  
Can you feel it?  
Don't you know there is no time?
