Watch your back because  
I am coming closer  
Shivers down your spine  
You were not expecting me  
How does it feel to be faced in your territory?  
Are you afraid to see me here?

Iâ'm not afraid  
To take my time  
To live my life  
The way I want to  
Iâ'm not afraid  
To take you down  
And live my life  
As I want to  
Iâ'm not afraid

Closer but apart  
No one else can hear us  
Get out of the car  
Did you want to live (leave) without me?  
How does it feel to be faced in your territory?  
Are you surprised to see me here?  
Iâ'm not afraid  
To take my time  
To live my life  
The way I want to  
Iâ'm not afraid  
To take you down  
And live my life  
As I want to  
Iâ'm not afraid

Iâ'm not afraid  
To take my time  
To live my life  
The way I want to  
Iâ'm not afraid  
To take you down  
And live my life  
As I want to

Iâ€™m not afraid

To take my time  
To live my life  
The way I want to  
Iâ€™m not afraid  
To take you down  
And live my life  
As I want to  
Iâ€™m not afraid
