A shot in his eyes  
A silver sky  
His blood is in my hand (in my hand)

I blessed this one  
I know he's died  
But now I'm feeling  
So strange

I know  
You'd better believe  
That everything you do  
You can't understand it  
Or ever justify  
I don't want to be your guide  
But stay with me and think for a while  
Again

Losing my life  
A matter of time  
Refusing all this game (all this game)

I know  
I can't understand this joy inside of me  
You can't understand me or ever justify

I just cannot be your guide

Just stay with me and think for a while  
Again

The secret belongs to a part of me  
Increase my anger and my pain  
Just close my eyes and live your life  
Your tears are so sweet for me

Stay with me  
I'll take you into another world  
I'll bring your heart into another world

The secret belongs to a part of me  
Increase my anger and my pain

Just close my eyes and live your life  
Your tears are so sweet for me
