When you're taught through feelings [x4]  
Ahhhh...

Destiny  
Flying high above  
All I know is that you can realize it  
(Realize)

Destiny who cares  
(Destiny who cares)  
As it turns around  
(As it turns around)  
And I know that it descends  
Down on me  
(Ahhh)

It's just another day  
The shame is gone  
Hard to believe  
That I've let it go  
Let it go  
Let it go

Destiny  
Can't replace my life  
Scary shadows of my past  
Are alive  
(Alive)

Destiny who cares  
(Destiny who cares)  
As it turns around

(As it turns around)  
And I know that it descends  
With a smile  
(Ahhh)

It's just another day  
The shame is gone  
It's hard to believe  
That I've let it go away

It's just a melody  
It bleeds in me  
Hard to believe  
That I've let it go

When you're taught through feelings [x4]  
Ahhhh...

It's just another day  
The shame is gone  
It's hard to believe  
That I've let it go away

It's just a melody  
It bleeds in me  
Hard to believe  
That I've let it go  
Let it go  
Let it go
