Light of my sun
Light in this temple
Light in my truth
Lies in the darkness

Teasing pureness of your lies
Soreness of a delightful mission
Burning up inside your mind
You belong to my possessions

Can't you see that I'm here inside you?
Can't you see that I'm here inside?

Light- massive pain
Glide- passive tension
Light- show me how to
Slide in this pleasure

Teasing pureness of your eyes
Crawling into empty spaces
You could lie and lie again
You belong to my possessions

Can't you see that I'm here inside you?
Can't you see that I'm here inside?

Can't you see that I'm here inside you?
Can't you see that I'm here inside?

This is my harmony:
I'm here in your heart again
This is the place to live
Where I'm alone again

This is my harmony:
I'm here
I lay again
This is the prayer to give:
I'm all alone again

This is my harmony:
I'm here in your heart again

This is the place to live
Where I'm alone again

This is my harmony:
I'm here
I lay again
This is the prayer to give:
I'm all alone again

[Christina's chanting]
