Unchained

There is nothing up ahead or down the road  
The streets won't last forever  
There's nothing left to lose

I cannot see myself inside this dream  
I know, nothing lasts forever  
Nothing lasts forever

Unchained  
I'm like a bullet set free now  
Unchained  
I'm like a weapon unleashed now

Now I found my way to solid ground  
I left behind the feeling  
That I've been a fool

I feel much stronger now, I am not the same  
You know nothing lasts forever  
Nothing lasts forever

Unchained  
I'm like a bullet set free now  
Unchained  
I'm like a weapon unleashed now

Unchained  
I'm like a bullet set free now  
Unchained  
I'm like a weapon unleashed now
