I don't understand  
I don't know what to do  
Once again I fail to even realize (realize)  
The person that you think of me  
Doesn't care and doesn't see  
I don't listen anymore  
Don't try to change your life with mine

I'm living the dark side  
Upside down  
Nothing in my disaster  
I'm living the dark side  
Upside down  
Nothing in my disaster

I don't understand  
Why do you feel confused  
Once again you fail to even realize (realize)  
So the person that you think of me  
Doesn't care what you believe  
Doesn't miss you anymore  
Don't try to change your life with mine

I'm living the dark side  
Upside down  
Nothing in my disaster  
I'm living the dark side  
Upside down  
Nothing in my disaster

I don't understand  
Why do you feel confused  
Once again you fail to even realize

I'm living the dark side  
Upside down  
Nothing in my disaster  
I'm living the dark side  
Upside down  
Nothing in my disaster

Upside down  
Nothing in my disaster
