

## Lacuna Coil "Wide Awake"

The rebel inside  
A mind of my own  
I haven't felt right  
Since the moment that I gave up.

I challenge my limits  
I'm feeling I'm becoming meaningless  
I take it all in  
And inhale.

I'm wide awake  
Open my eyes  
And the sky's so blue  
All of the sudden  
I know that I treasure my life  
I find myself  
Wide awake  
Like you...

The struggle within  
Now I understand  
Freedom begins  
When you get out of the cage  
You've built.

It looks like I'm crazy

But I'm not the only one  
To believe in myself  
Believe in myself  
I won't be coming undone  
Cause I feel like...

I'm wide awake  
Open my eyes  
And the sky's so blue  
All of the sudden  
I know that I treasure my life  
I find myself  
Wide awake  
Like you...

I'm wide awake  
I open my eyes  
And the sky's so blue  
All of the sudden  
I know that I treasure my life  
All of the sudden  
I know that I treasure my life  
Like you...
