Swee-ee-eet drea-eam baby

Swee-ee-eet drea-eam baby

Swee-ee-eet drea-eam baby

How-ow-ow long must I dream

Dream baby got me dreamin' sweet dreams

The whole day through

Dream baby got me dreamin' sweet dreams

Night time too-oo

Well I love you and I'm dreamin' of you

Well that won't do-oo-oo

Dream baby make me stop my dreamin'

You can make my dreams come true

Swee-ee-eet drea-eam baby

Swee-ee-eet drea-eam baby

Swee-ee-eet drea-eam baby

How-ow-ow long must I dream

Dream baby got me dreamin' sweet dreams

The whole day throu-ough

Dream baby got me dreamin' sweet dreams

Night time too-oo

Oh I love you and I'm dreamin' of you

Well that won't do-oo-oo

Dream baby make me stop my dreamin'

You can make my dreams come true

Swee-ee-eet drea-eam baby

Swee-ee-eet drea-eam baby
