Well lately you've been driving me mad
Cause you're the best thing that I've ever had
And I want you
I want you bad

So come on
Let's give it a whirl
And we can shake up
The whole wide world
And I want you
Oh I want you girl

Well I'm running out of things to do
I've got no other place but you

Never no you'll never be sad
I'm gonna make you feel so glad
And I want you
Oh I want you bad

Well I'm running out of things to do
I've got no other place but you

I'm thinking
I'm gonna lose my head
Ya know the phone line
Is taking to much breath
And I want you
Oh I want you bad

Oh and I want you
Oh I want you bad
