Well, I wish I had my picture on The Rolling Stone today
I wish that The Enquirer spread a rumor that I was gay
Well, I wish I had some buddies, some movie stars and
such
'Cause I probably wouldn't worry about the two of us as
much

And I'd spend all my money on caviar and cocaine
And I would not remember how you broke my heart
today

You know I, I wish I had a super model so skinny and so
wild
And a waitress in Nevada, she says she's carrying my
child
Well I'd drive down Sunset Boulevard, my hair blowin'
in the wind
And I'd stop at fancy restaurants and they'd finally let
me in

And I'd spend all my money on caviar and cocaine
And I would not remember how you broke my heart
today

Yeah, I wish I had my picture with the Rolling Stones
today
And I wish The Enquirer would spread a rumor that I
was gay
I wish I knew a movie star, someone like Charlie Sheen
'Cause if he'd hang out with Kato Kaelin well I guess
he'd hang out with me

And I'd spend all my money on caviar and Rogaine
And I would not remember how you broke my heart
today
