Well, you are still here  
And I am still here  
Whether I ever loved you is  
Not perfectly clear  
You went a semester to West Texas State  
But the freshmen fifteen you gained  
Killed all your dates  
I guess I still love you if I ever did  
And I can see myself having a couple of kids  
And we will get by  
For the rest of our lives  
So play the Cotton-Eyed Joe  
For the folks don't you know  
Keep the dogs in the truck  
Til you leave  
We got some wieners and buns  
When the brisket's all gone  
For our wedding in suburban Seguin  
Well, I am still here  
And you are still here  
Whether I ever loved you is  
Not perfectly clear  
Though weight's not an issue you have gained more  
And when I said I do well I slammed all the doors  
To a future where I could see Paris in spring  
And I wasn't prepared for the weight of this ring  
But we will get by  
For the rest of our lives  
So play the Cotton-Eyed Joe  
For the folks don't you know  
Keep the dogs in the truck  
Til you leave  
We got some wieners and buns  
When the brisket's all gone  
For our wedding in suburban Seguin  
So play some old BTO  
For my friends don't you know  
Keep your dogs in the truck  
Til you leave  
Get out the wieners and buns  
Cause the briskets all gone  
At our wedding in suburban Seguin

I said I love you in suburban Seguin  
Now lets make love
