Ahh
Just believe
Oh, ahh
(Believing is the courage to let go of your pride)
Just believe

1ST VERSE:

You had a dream
Now it seems you're standing out there
In the dark
Suddenly
The winds are blowing colder
in your heart
This is your time
To laugh to keep from crying, but
Be strong
Believe
(Believing is the courage to let go of your pride)
Oh
Just believe

HOOK:

Life ain't nothin' but a picture
You can pick your colors
Don't give up on your dreams
You gotta believe
Don't be afraid if you're not
sure
If you're not sure
Have faith and you will see
You can color your world
If you believe
(Believing is the courage to let go of your pride)
Just believe

2ND VERSE:

Your fears
Have completely taken over
Your every move
You're here
Cause you've lost the fighter in
you

If you want a better day
A brighter place
A better way
Be strong

Believe

(Believing is the courage to let go of your pride)
Let go of your pride

HOOK (2X)

Believe it will get better

BRIDGE:

Wipe all your tears away
Wipe your tears away
There's gonna be a brighter day
Everything is gonna change
Everything's gonna change
If you just believe
Believe and you will see
Ooh
Bad or good
Right or wrong
Be strong
Hold on
If you just believe

BREAKDOWN:

Ah, oh
Oh
Ah, oh, ahh
Will you believe?
Yeah, oh
Oh, ahh
(Believing is the courage to let go of your pride)
Believe with me
Oh (oh)
Oh (oh)
Ooh oh
(Believing is the courage to let go of your pride)
We all want a better day
A brighter place
A better way
Be strong
Believe
(Believing is the courage to let go of your pride)
Let it go, yeah
