Ah

Ah

1ST VERSE:

I know it's hard
It's alright
It's okay
Trouble's here
Don't give up
You can make it (ah)
Keep your head to the sky, anyway
Storms of life will bring change
Just keep your faith

HOOK:

Let the rain fall
Keep the faith, it's gonna change for the better
Let the rain fall
Keep the faith, it's gonna be okay
Just let the rain fall
Let the rain fall
Keep the faith, hold your head up high, let the rain fall
Let the rain fall
Keep the faith, it's gonna be okay
Ooh

2ND VERSE:

I know you think no one cares, understands (ah)
You've given up all your dreams
All your plans
(Ooh) (What)
What are you doing?

You don't want life to pass you by
(Ooh no, no)
Lift your head up
Time to get up
Keep your faith
It's alright

HOOK:

BRIDGE:

If there's no pain
You'd never know how to survive
Storms we face
Help you grow
Teach you life (you life)
Lift your head
Keep your head to the sky (ah)
It's gonna be alright
Just keep the faith

HOOK:

I know it's hard
But it's okay
Trouble's here, but don't give
up
You can make it (ah)
Keep your head to the sky
Storms of life do bring change
If you keep your faith
