HOOK:

I'll do anything for you, baby
I miss you
Don't you know how much I adore you?
(I'm not over you)
I've got a thousand ways to say
I love you
I hope it's not too late
Can we talk about us?
(I'm not over you)

1ST VERSE:

I would jump across miles to get to you
Forget about those others
Baby, don't you ever think about me
And all of those good things we were used to?
I remember your lips, your touch, your body, oh
Next to mine
And I know you're listening
I still feel you
Can we revisit you and I?
Oh

CHANGE:

No words are required (oh)
All I need to do is see you (ooh ah, ah, yeah)
No questions, no problems
Nothing complicated (ooh, ahh)
Just kiss me like you used to
Oh

HOOK:

2ND VERSE:

Though we've gone our separate ways
It's still about you
Still yours if you're willing
No one else can replace you, no
It's your feeling
I remember your lips, your stroke
Your body, oh
Next to mine

And I know you're listening
Cause I feel you
Please revisit you and I

BREAK:

(Say, Say)

I'll do anything (Say, Say)

Cause I'm not over you, not over

Kiss me like you used to

I said I, I, I hope it's not too late

To see what's in my

What's all in my face

The sweet memories of your stroke

Your body

I know you're listening cause I feel you

Yeah, I'm still not over you

(I'll do anything)

(Baby don't you make me wait)

Gotta know that I'm still in love with you

(I'll do anything)

Don't you know how much, how much I adore you?

(Baby don't you make me wait)

Ooh yeah

Yeah, cause I do
