### 1ST VERSE:

I have never been in love with anybody else but you  
And never, ever will I let you go  
(I promise)  
Sometimes you just don't know  
Until the last minute  
But I knew it right away with you, ooh

### HOOK:

Don't stop lovin' me, baby  
Cause you know  
I'll never ever go  
What we have is rare  
It's unconditional  
I won't let you down  
Forever we'll grow  
What we have is rare

### HOOK:

### 2nd VERSE:

I've been so back and forth in my relationships  
I can't tell you how many times I've been let down (I've  
been let down)  
But you took me in your arms and released me  
With you and I, there's more  
More that we have found  
So rare

### HOOK:

### BREAK:

It's always been about you (you)  
What we have is so rare

### BRIDGE:

(Whose arms were meant to hold me?)  
(Whose lips were meant to kiss me?)  
Who was better built for me than you?

### HOOK:
