Picture perfect memories, scattered all around the
floor
Reaching for the phone 'cause I can't fight it anymore
And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one, I'm all alone and I need you
now
Said I wouldn't call but I've lost all control and I need
you now
And I don't know how I can do without
I just need you now

Another shot of whiskey, can't stop looking at the door
Wishing you'd come sweeping in the way you did
before
And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one, I'm a little drunk and I need you
now
Said I wouldn't call but I've lost all control and I need
you now
And I don't know how I can do without
I just need you now

Woah, woah
Guess I'd rather hurt than feel nothing at all

It's a quarter after one, I'm all alone and I need you
now
And I said I wouldn't call but I'm a little drunk and I
need you now
And I don't know how I can do without
I just need you now, I just need you now

Oh baby, I need you now
